### Winter Drive Ideas:

- Have your mission team/youth group/ small group pick one of the categories. Drives are most successful when you give potential donors only a few options.
- Encourage participants to use our Donate button to make a gift!
- Share the link of this webpage on your social media platforms.
- Share this PDF with your email contacts.

### Other Interesting Facts. Farmworkers:

- Use 3 to 4 bandanas to create a head/face covering to protect from the sun and chemicals.
- Fannie packs are great to carry their personal items. Many are victims of theft when they leave their personal items in the buses.

### Drop Off Your Donations:

- Tuesdays after 1pm and Fridays 9am-2pm
- For other dates, schedule a drop off appointment by calling Roberto Villadoniga at 813-633-1548 x.224
